25X1C 1. Mr. Houston attended a meeting of the Senate Internal Security Subcommittee which was considering the problem of securing certain papers contained in the [redacted] One of these papers was a classified OSS report which had been referred to CIA by GSA for declassification. (See Mr. Houston's Memorandum for the Record).

2. The House Judiciary Committee commenced hearings regarding possible conflicts of interest on the part of Mr. Peter Strobel, Commissioner of Public Buildings. In the course of the hearing Mr. Strobel referred to the controversy between CIA and GSA on who should supervise the construction of the new CIA headquarters installation, and introduced several documents on this matter into the record.
